EARTH HOUR

Be Bright Quiz

# ONE HOUR. ONE WORLD. OUR FUTURE.

Join us for WWF's Earth Hour at 8.30pm on 26 March 2011

## Thank you for your support

Welcome to the Be Bright Quiz pack for WWF's Earth Hour. Hosting a Be Bright Quiz is really easy to do and this guide gives you everything you need to have a great fundraising night. Not only can players show how bright they are, but raising money for WWF's Earth Hour is a great way to show you care about tackling climate change and protecting the natural world.

## Raise funds for a world with a bright future!

The funds you raise through your quiz night will help us to carry out vital conservation work around the world, including tackling deforestation which is a major contributor to climate change.

WWF works to protect forests across the world in stunning places like the Amazon, Borneo and New Guinea. We work to protect and restore vital habitats for endangered species like tigers and orang-utans and help people to use their natural resources sustainably.

Every penny you raise will make a difference!

- £200 could buy 800 tree seedlings to help restore the coastal forests of East Africa, home to black rhinos, savannah elephants and African wild dogs
- £500 could pay for the installation of 100 fuel efficient cooking stoves, which allow people in villages in Nepal to meet their need for warmth and cooking without using so much wood
- £1,000 could fund the restoration of six hectares of tropical forest in Colombia (the equivalent of 16 football pitches)

## How to be a Be Bright Quizmaster

**WHEN?**

The global switch-off takes place on Saturday 26 March 2010 at 8.30pm. You can host the quiz on the night or any time in the lead up to the event, whatever suits you.

**WHERE?**

The quiz can easily be played at home, work or at a suitable venue nearby. You might want to ask the manager of your local pub in advance to see if they will host the quiz for you. Many pubs are very experienced in quiz nights and if your local hasn't held a quiz for some time, this will be a good excuse. What's more, most pubs will be able to accommodate a lot of people quite easily, and the more people, the more money that can be raised for WWF's work!

**ANYONE CAN PLAY**

This guide has everything you need for as many teams as you like to take part, simply print off as many of the items as you'll need.

## Raising funds

We recommend that you ask each player taking part to donate £5. However, please ask for a donation that you think suits your audience's pockets, and remember that no matter how small their gift, it all helps! Please return any funds you've raised to us no later than Monday 25 April 2011.

Please send cheques and postal orders made payable to WWF-UK along with a completed [paying-in slip, which you can download from the Earth Hour website](#), to WWF-UK, Panda House, Weyside Park, Godalming, GU7 1XR. Please don't send cash in the post as it might get lost. Thank you!

## Fundraising dos and don'ts

Fundraising activities are governed by lots of different rules and regulations. But please don't be put off! For a list of basic guidelines that you need to bear in mind when organising your fundraising activities please have a look at our fundraising 'dos and don'ts' tips available on our website [wwf.org.uk/earthhour](http://wwf.org.uk/earthhour)

If you've any queries, please contact our Supporter Care team on 01483 426 333 or email them at [supportercare@wwf.org.uk](mailto:supportercare@wwf.org.uk) If you are a business please call the Earth Hour hotline on 01483 412369 or email [earthhour.business@wwf.org.uk](mailto:earthhour.business@wwf.org.uk) We'd love to help.

## On the night

Light some candles, switch off the lights at 8.30pm and get your teams ready by handing out the team answer sheets, one for each team. Ask them to come up with an original team name. It's up to you which rounds you want to play, and whether you want to play for just an hour or the whole evening. The quiz has been designed with a mixture of easy and challenging questions. The subjects to choose from are:

- TV
- Music
- Sport
- Animals
- History
- Geography

Each round has 10 questions, as well as an additional special question that will be related to WWF's work in the Amazon Rainforest. We estimate that three rounds will take an hour. But go for all the rounds if you want to make a night of it. Read out each question, perhaps repeating it, and give the teams a moment or two to work out the answer. Ask the teams to write down what they think the right answer is on the sheet you gave them at the start. It's a good idea after every round to read out the right answers. To make this easy (and avoid anyone cheating!) ask teams to swap papers so that they mark each others' answers, awarding one point for every correct answer. Then ask each team to add up all the points their opponents scored for that round and call them out, so that you can write it down and keep track.

A top tip is for you to call out at the end of each round who's in first place, second place etc to create a sense of competition! At the end of however many rounds you're playing, announce the winning team and present them with their 'Earth Hour Brightest Spark' winning team certificate.

OUR FUTURE.
