

Rio Earth Summit 2012

This United Nations Summit focuses on sustainable development – meeting the needs of the present without compromising the ability of future generations to meet their own needs.

HOLD YOUR OWN SUMMIT

List of delegates

Latin American Governments	WWF	Latin American soy, cattle & palm oil farmers
UK school pupil	Latin American city dwellers	Surui leader
EU Government	UK Government	UK adult consumer

Issues

Forests	Cattle	Palm oil
Soy	Climate Change	Logging

1. Each group should write and circulate at least 2 proposals e.g. all deforestation must stop.
2. Groups discuss those proposals to support and oppose.
3. A preliminary meeting is held to select proposals for discussion – usually those with the greatest amount of support and/or opposition.
4. Groups prepare their evidence and arguments for and against the proposals that will be discussed.
5. The summit begins.
