Your donation will help Sky and WWF protect the rainforest by tackling deforestation. We will do this by working with the state government in Acre, Brazil, to support local communities to conserve trees, rather than chop them down.

Your donation will help save

 £5 = 250 trees

 £10 = 500 trees

 £20 = 1,000 trees

Please bank any coins and notes into your own bank account and then write a cheque or postal order to WWF-UK for this amount. Please clearly label on the back of all cheques or postal orders 'Sky Rainforest Rescue' so that all funds raised go to this project. Complete the paying-in form and send this along with this sponsorship form to: **Supporter Care Team, WWF-UK, Panda House, Weyside Park, Godalming, Surrey, GU7 1XR.** Please don't send cash in the post.

Or why not go online? Set up your own personal Justgiving page. Visit www.justgiving.com/WWF-UK and then set up Sky Rainforest Rescue as an organised event and follow the easy instructions to build your page.
