A list of legal advisers to help you make your Will

## Helping you to make a Will

### Helping you to make a Will

To get you started, we've put together a directory of legal advisers throughout the country who can help you make a Will – and at a special fixed rate that's exclusive to WWF. They will take you through the process, step by step, and help you to leave a gift to WWF, if that's what you decide to do.

## Special rate of £80

### Special rate of £80

The legal advisers in this directory offer WWF supporters drafting services at a special fixed rate of £80 for a single Will or £100 for a couple's mirror Will (prices exclude VAT). These fees are quoted for simple, straightforward drafts. If you require something more complex, or a Will involving financial planning, simply inform your chosen legal adviser and they'll give you a revised quotation.

## How to use this directory

### How to use this directory

### Please note

Unfortunately due to the large number of legal advisers in this directory, WWF is unable to vet every entry. Their inclusion does not therefore represent any commendation or warranty of the service you will receive. As ever when engaging professional services, we strongly recommend that you make your own enquiries about the legal adviser first to ensure that you receive the level of service and advice you require.
